graduates had yet been made in this College; but sent us a copy of their laws. The Secretary did also receive friendly letters from the University of Pennsylvania accompanied with a list of ~~—~~ philosophical apparatus lately procured for that University from Europe; which in the opinion of your Secretary is highly worthy of the attention of this Board. A letter was received from the College in Georgetown not accompanied with any thing ~~else~~. No communications however were received from three Colleges vizt Hampden Sydney in Prince Edward County Virginia, William and Mary College at Williamsburg in Virginia & the University of Athens in Georgia. Viewing a communication with these last mentioned Colleges as useful in consequence of their vicinity; the Secretary again wrote them letters under the impression that the first ~~were~~ miscarried by mail. The postage was paid on every one and hence it is presumed they were received. No communications, or letters of the acknowledgements of the receipts of mine ~~have~~ been made to us; and unless I am particularly directed by this Board, I shall not correspond with them any further.

The Secretary states that from a review of the proceedings of the above mentioned Colleges the plan of education ~~of them~~ pursued in them, is substantially the same, and that the plan adopted in our University ~~is~~ now in effect correspond with them.

Your Secretary has promised to these Colleges in return a copy of our laws and a catalogue of our graduates, and has made in a book procured for that purpose a complete catalogue with the aid & assistance of The Revd Joseph Caldwell; and according to the usages and practice of the Colleges in the United States. Your Secretary therefore recommends that an ordinance be passed making it his duty to have the same printed as soon as convenient; and once in every three or four years thereafter; one copy for each of the Trustees of this University; ~~the~~ each member of the Faculty; also one copy for each graduate of our College as well the Alumni, as for those on whom honorary degrees have been or shall be conferred; one copy for each of the Societies at the University; one copy for each of the four classes therein;
