"and professorcy of the Students, in the pre-
"ence of the Faculty, at the close of the exam-
ination." It is necessary to remark that since
this resolution was passed, the annual exam-
ination has been transferred from Novem-
ber to June, so that the attendance of the
Committee is now required in June, and
not in November. It is disagreeable to observe
that the members of former Committee have
not been so punctual in their attendance
might have been expected. Of the eight, it has
been seldom possible to procure the attend-
ance of more than two or three. From this
inattention, the Institution must have suf-
fered considerably; and must continue to
suffer, unless a remedy be found in the uni-
form support of those, under whose direction
it is placed. Your attendance thus, with that
of the other Gentlemen of the Committee,
