The petition, and I propose to obtain from such conduct over hereafter. While I continue a student of this University. — William H. Hunter

The faculty after the conclusion of the former business came to the following resolution which was published in the Hall:

Resolved that from the present time, all the members of the board of Trustees of this University which shall not issue, if it shall be determined by the faculty, that any student who shall have in his possession or carry about his person any disk or pistol shall be considered as facts, as a sufficient cause for suspension, unless permission to keep or wear such disk or pistol be expressly granted to the student by the faculty or some member of the faculty.

The faculty met present:

Edgar Mitchell, M. D.

David Alston, M. D.

William H. Hunter, P. S.

Simon P. Senden, S.

Robert D. King, S. Tutor.

Mr. A. Anthony was cited to answer for disorderly conduct. It appeared that said Anthony, on the 12th of the month, applied to the President for a dismissal from the College, stating as his reason, a resolution made in his own mind, that he would not reside in the college any longer this
