containing all the proceedings of the Faculty,
in cases wherein Mr. Whitaker has been reported
to them for discipline by Mr. Herries, from October
4th 1856 until this day Oct 6th. 1856.

October 4th, 1856.
"Messrs. Ringo and Whitaker appeared before the
Faculty, and were admonished for disorderly conduct
and disrespectful language to Mr. Herries at recita-
tion. Mr. Whitaker, having made an insulting remark
about Mr. Herries before the Faculty, was required
to send a written apology to-morrow, on pain of being
dismissed, if he should fail to comply with this in-
junction."

"Nov. 13th.
Mr. Whitaker was reprimanded for imperti-
nence to his instructor in the same (French) de-
partment. After he retired, it was moved, in conde-
eration of his repeated offences of this kind, that
he be dismissed. This motion was ordered to lie
upon the table, and Prof. Mitchell was directed,
to inform him, that it would be taken up and
carried, if he should appear before the Faculty again
upon a similar occasion."
