I should have received $10 and marks every day for missed or rather unexcited lessons for I could not have gotten any lessons in the dark and now there is out of money and I am worse than ever and there is left of our 10 candles only 1/2 and unless you send me some money I will have to stop studying until I do get some therefore I wish you would send me 10 or 12 $ as soon as you can for I need a table which will cost 4 $ and a kerosene lamp $2.00 and oil costing $2.00 per gal I wish to burn kerosene because it is safer than unsanitary and cheaper than candles and gives a better light than either therefore I wish you would send me the required amount so that until my room is furnished it will be im-
possible for me to take my stud
