me that "the statement was founded upon entire misapprehension", and that "Arch-Bishop Hughes was not expected there for any purpose. I do hope that the present report may prove to be "founded upon entire misapprehension". I conclude with the most sincere wishes for your health and happiness and for the welfare and still increasing prosperity of the University, which gratifying consummation will, I have no doubt be fully realized, through your wise, parental, and truly efficient supervision. Present my best respects to the other members of the Faculty.

Yours, most respectfully,
Robert G. Allison.
