**Battery of Artillery Will Be Sent to Battlefield for Fourth of July.**

(Special to Daily News.)

Washington, June 27.—At the earnest request of Major Stedman, the war department tonight definitely decided to send a battery of artillery to Guilford Battlefield for the Fourth of July celebration. About 100 men will be detailed from Fort Caswell. Major General Wood said he was sending the men because of the high personal regard he has for Major Stedman and was going to a great deal of inconvenience to do so.
