which we will complete in a few days, next to which we will study Navigation and after that Surveying.

My health I may say is unusually good and a cold weather will soon be here, will no doubt continue good. I would be thankful to you, if when the weather becomes cold enough to have fires you would enclose me a little money, I shall need some to buy fire wood.

My best love to mother, and also to my little brother.

Yrs. R. H. Luers.

Please excuse bad writing
and any other errors that
may occur.

I remain as ever yours affectionate and Dutiful

R. H. Luers.
