Resolved, That we, students, from the State of
Louisiana, of the University of North Carolina,
heartily oppose and admire the prompt, and
decided action of His Excellency Gov. Moore,
in seizing, and occupying with State troops
the forts, and other Lacquer property within
the limits of our state, which, being erected
for our protection, might by delay, or a scanty policy on the part of the
Governor, have become (instead of affording
protection) strongholds for our enemies,
to wage a bloody warfare upon those,
they are designed to protect.
Resolved, That being deeply impressed with
sentiments of patriotism for the honor
of our beloved State, we are ready to perform
the peaceable duties of a college life, and
take up the sword, in defense of that sacred
Liberty, we have been taught to cherish
from our earliest childhood; and
in defense of that Institution, at once our
pride, and the source of all our health
and prosperity,
Resolved, That we tender our services to
the State, through His Excellency Gov. Moore,
Who, when the needs them, may impress
us by telegraph, in order that we may
immediately set out for the scene of action.
