wishing a plot of the land granted to
Tristan, of the University, and that the
Treasurer pay the same

The board adjourned to
Thursday, for a morning session

Wednesday 6th: the board
met according to adjournment

Mr. Jones, from the committee to
prepare an ordinance to ratify the pro-
cedings of the commissioners, presented
the following which being read was con-
cerned with

An ordinance to ratify the pro-
cedings of the commissioners appointed by
an ordinance of the board of Trustees at
Chapel Hill in August 1792, to carry into
effect an act of the General Assembly enacting
an act for establishing an university in the
state.

Whereas the commissioners appointed
by the ordinance aforesaid for the purpose
therein mentioned, did meet in November
last in Chatham and over the same
