States whether in France or elsewhere
may succeed to goods movable and
immovable ab intestate, without its
Whether it was contemplated that the
subjects of France should succeed to
real property in this Country as well as
personal—and whether any or what deter-
nominations have been had upon that
point in any of the States.

On motion Resolved that the
thanks of this Board be transmitted by
the president to Freeman W. Marshall
Esq. for his communication on the bate
bogs of the University—

Resolved that the Treasurer
be directed to pay to the Commissioners
for fixing the seat of the University
their several charges for their expenses
while engaged in that business upon their
producing their accounts to him—

W. Staratt presented a propos-
osal from John Hagan—White
