number of Bricks have been laid by him in the Walls of The New Building of the University ever and above what he has already been paid for.

The Treasurer shall pay to him whatever balance may appear due to him reckoning at the rate of 40/- for every thousand Bricks actually laid, agreeable to the Contract con

viving with him.

Resolved, also, that Mr. Brenchan Smith

be requested and authorized to Contract with some person for Building a Grammar School on Lot No. 1 or any

other convenient place on the unappropriated lands of the

Trustees, to be completed by the first day of January

next upon the plan presented by Mr. Mines and appro

ved of. The price not to exceed £150 one hundred

fifty pounds.

Resolved, that as soon as the Walls shall

be raised to the height contemplated in the first resolution

or Mr. Henderson shall take certain Effectual Measures

to preserve them from injury or decay. It to keep the

foundation free from water which may be left by rains or

otherwise by keeping the drains left for that purpose

constantly open or opening others where it may be necessary

That Mr. Henderson be requested in a particular manner

to attend to this last resolution and also to the preserv

ation of any materials which may remain on hand, after

finishing the Walls.

That Mr. Mines give notice to Mr. Rogers that

the Commissioners will not receive more Bricks on account of.
