Philosophical Chamber, on the Present
Lection Room, and the Display of Exper-
iments in the collection of the Philosophi-
cal Society of the University.

Mr. Percival Hobbs, in his lan-
erary course, wrote this in commen-
tion, and apprehension of the sus-
en of expense by placing the
more elegant and a splendid array
over the library and the chapel
instead of joining with the East
and west wings.

Sec. 13. Chap.

Not. Collected altered.
