occupied by the President of the College for the time being; and that Geo. Brown be authorized to take possession of the same.

4th. Resolved, That the House and appurtenances in the occupancy of Geo. Brown be appropriated to the use and occupation of the Professor of rhetoric and Logos.

5th. That the said Committee be and they are hereby authorized and directed to cause both of these places, the deadling and bathhouses, fences to be properly removed; that they make sale on the best terms they can, of such superfluous or unnecessary out houses as can be spared from either of these places; and that the requisite repairs of inclosure fences be made of stone.

6th. That said Committee be directed to cause the old society halls in the south buildings to be fitted up for sanitary or such other uses as the institution may require.

7th. Resolved, That Geo. Brown, judge and proper care shall be taken that a majority of them are hereby appointed a committee to carry out the foregoing resolutions, to care...
