referred to their consideration and
aided by written communications
received from the President of the
body here recommended to the Board
the adoption of the following
resolutions.

1. Resolved that the quantity of
preparatory study for admission
into the University be increased
that from 1821, the first Commencement in June 1835, in
addition to the present list, Candidates
for admission be required to pass an
approved examination in the following
books.

- Mathematics, the whole
- Algebra to simple equations
- The Classics, I. & II. Greek Reader
- The whole of the prose, or Greek Minora
- The latter part of I. & II. Greek Reader
- The whole of Virgil, and Ciceron's selected
- Thes, except the Philippians

2. Resolved that the second (or second)
member of the faculty give his attention to hear
recitations on the various branches of
study for which the classes taught in the Univer-
sity are as follows.

President, to listen, each week
of his health, permit, if not, Prof. or
Anchors on to hear for them.

Recitation.

Prof. Anderson 6
Prof. Mitchell 8
Prof. Cooper 8
