The foregoing is a copy from a bond in the first session of the trustees of the university of North Carolina.

Test.  

H. Potter Scott

It is to be remembered, that at those meals, whether breakfast or supper, at which a sufficient quantity of milk shall be furnished, neither coffee, tea, nor chocolate shall be required, except by boys who eat no milk. The trustees have agreed that milk may be dispensed until the first day of May in the year 1796, and whole bread and biscuit until the first day of August in the said year.
