Judge yourself from the fact, which
sheds my honor is the case, that in
the whole course of the siege
ought only eleven elephants weighing
in the whole about 500 pounds weight
making only about 12 or 13 dearees,
which was appercived among the
Boys not been pounds a piece.

Now Sir, does this appear like
forcing Motion on them? had no early inducement to purchase
attention in preference to but the
price for both in the same, the
fact is, had no advantages, Both
were not to be had, neither could
they sell a Check, I knew
meat I was compelled by my con-
truct to furnish. Make the
statements merely to ease my own
friend I forgive you a true nature
of the business for had a bade
that you opposed the report.

My dear Sir, cannot
help
