liable to the estate of his ward for the amount. The ordinance of the Trustees, on the subject, requires the Faculty to
dismiss a student, who may contract a debt without permission.

The Faculty have full confidence that these salutary provisions will meet with your hearty concurrence. To enable
you to act intelligently and efficiently, we will transmit at the middle and end of each session, such a statement of the pro-
gress of your son in learning, and of his moral deportment as will enable you to form and communicate to him, your opin-
ion of his fidelity to himself and to you. We beg leave to assure you that no influence can be brought to bear upon the
young with so much promise of a favorable result, as advice, expostulation, encouragement, or admonition from the pa-
ternal roof.

In behalf of the Bursar and the merchants here, we have especially to request, that you will notify the former forth-
with, if you desire that your son may be permitted to contract debts on credit, that notice and permission may be given
accordingly, and the obligations consequently incurred, be rendered your own.

Since the commencement of the session (a period of 21 weeks) Mr. J. S. Roberts has
been absent from Prayers — times, from Recitation — times, and from attendance on Divine Worship — times.

Of these absences — from Prayers — from Recitation, and — from Divine Worship were unavoidable
the general impression very good.

His relative gradation of scholarship in his class is considered
as follows: English Grammar, school mathematics, science
in English very good, and very good in history.

Each student is required to attend prayers thirteen times, recitations fifteen times, and Divine worship once each
week. All absences, whether unavoidable or not, are recorded. A very simple calculation, therefore, will enable you to
ascertain the precise proportion of duties performed and omitted.

With respect to the necessary expenses of a student, the Faculty concur entirely in the opinion expressed by the
executive committee, in the Circular addressed to Parents and Guardians on the 15th April, 1837, that exclusive of the
supplies of clothing ordinarily obtained from home, more than two hundred and fifty dollars a year is not necessary either
to the comfort or reputation of any one.

We are, very respectfully,

Your obedient servants,

DAVID L. SWAIN,
ELISHA MITCHELL,
JAMES PHILLIPS,
JOHN D. B. HOOPER,
MANUEL FETTER,
WILLIAM M. GREEN,
CHARLES M. F. DEEMS,
RALPH H. GRAVES,
