cal Society, is expected to attract numerous visitors, and it is hoped that we will have a larger enrolment than usual. Both societies, with the approval of the trustees are making great effort to build new halls, and I hope they will succeed for our present one is much smaller than the demand being next to the campus is exposed to every who may attempt to listen.

The bell is ringing for church time. Give my love to Pa and North William and bid me to be

Your affectionate,
S. Johnston, Petaign
