here because they were not satisfied
with the course of instruction. To
There are only twelve (12) members of
the Freshman class. George McKee
leaves tomorrow for the University
of Virginia in company with two or
three other students. He sends his kind
regards to the whole family.

in short. The university is a farce on
a large scale. I think there will
be a general breaking up before long,
unless some very radical measures are
taken. There are about 90 here. I hear
The letters sent me by mail from
home day after I reached here.
My cough is improving, probably
caused by my eating too much
fried fish. I am sorry to hear
of Auntie's illness taking so malignant
a shape. I had a fine time
in Morgan. Love to all. When I
return I hope to see you enjoying
a chronic case of good health.
Gumt off Jim Party.
