Hon.

James A. Seddon

Secretary of War

The Trustees

of the University of Va., at a late meeting adopted the resolution
hereunto appended, a copy of which is hereto attached marked A. Costs.
I beg leave to invite your attention.

By a report made by the Executive Committee of the Trustees

of the University of Va., I have the honor to submit the following:

The condition of the four classes is as follows:

Junior class: 16 members, of whom 17 have entered the army — 2 have died, 3 have been disabled, 2 are under eighteen years of age, and one is dead. The class at the close of the college course numbered 28 — all of whom except the 15 named above are supposed to be in the army.

The two classes next in order have been, by your kind favor, granted permission to finish their collegiate course, while the junior class has been accomplished by the first Thursday in April next.

Sophomore class: This class at the close of the Freshman year numbered 24 — of these 16 are supposed to have entered the army — of the 9 who remained 3 are exempt from military service, some being under eighteen years of age. The class was thus reduced to
